EILA
LANGUAGE ACADEMY

An Australian academy built on **real talking.**

EILA is an Australian education and language academy. We help students build the confidence and communication skills they need for today's global world.

Learning English should be more than memorising vocabulary. Our students learn through meaningful experiences that put the language to work in real life.

1

Real English

Practical English for everyday life, school, travel and work.

2

Real experiences

Confidence built through activities and experiences beyond the classroom.

3

Real opportunities

Skills that support future study, career and personal goals.

**"Language is a tool for
communication, connection,
education, work, travel and
future opportunities."**
